Resource Matching Service

- ❑ Public investment supports facilitation for direct company engagement and synergy realisation.

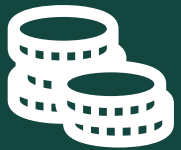

- ❑ Supported by Invest Northern Ireland since 2007 to support the NI Executive's objectives:
 - Rebuilding and rebalancing the NI economy
 - Increasing overall standard of living by driving productivity growth
 - Increasing employment

OVERVIEW

The Invest NI Resource Matching service is the longest running facilitated Industrial Symbiosis programme in the world. It has been delivered by International Synergies NI Ltd since inception in 2007 and to date our team have worked with over 3000 NI companies to achieve significant impact.

331 KT

Funding & Financing

- *Contracts for services (not grants) delivered by ISL for Invest NI*
- *Focus on facilitation, building innovation networks activities for the purpose of delivering economic benefits*
- *Challenge: moving KPIs from activity to impact*
 - *Early funding focused on impact*
 - *Later funding via ERDF became activity based*
 - *Upcoming contract reflecting more impact*
