**Hubs4Circularity**  
COMMUNITY OF PRACTICE

# Mission and objectives

## Accelerating the scale-up of local industrial-urban ecosystems across Europe

- Empower process industries and regions & cities to co-create symbiotic circular ecosystems
- Connect industrial parks and regions and actively engage with **emerging Hubs**, providing a KPI toolkit, independent evaluation of existing and potential Hubs, and policy recommendations
- Promote creation, exchange, and consolidation of **knowledge** to overcome bottlenecks through a digital knowledge platform

# Our work in past 4 years

COMMUNITY OF PRACTICE

The screenshot displays the Hubs4Circularity website interface. At the top, there is a navigation bar with 'Home', 'Administration', and 'Contact Us' links, and a user profile for 'Taira Colah PNO'. A left sidebar menu lists categories such as 'Results of IS/I-US/CE Projects', 'Technologies', 'Knowledge', 'Tools', 'SCALER's 100 most promising IS synergies', 'Skills and education', 'Community members', 'External Contents', 'Patents', 'Papers', 'Funded projects', 'Funding opportunities', and 'Results of IS/I-US/CE Projects'. The main content area features a circular diagram of a circular economy, a search bar with the text 'Search in the whole knowledge base', and a section titled 'Our Stakeholders' with icons for 'TECHNOLOGY PROVIDERS', 'PUBLIC AUTHORITIES', 'INDUSTRIES', 'EDUCATIONAL ORGANISATIONS', and 'FACILITATORS'. Below this is a 'Last Updates' section with three project cards: 'DryFiciency - Waste Heat Recovery in Industrial Drying Processes', 'Plastics Waste Reprocessing', and 'Plastic Packaging Trasport Optimisation'. A large green banner at the bottom of the screen reads 'REGISTER AT: www.h4c-community.eu'. The footer includes the Hubs4Circularity logo, the European Union flag with the text 'Funded by the European Union', and a small circular logo.
